

Insurance Booking Sheet

Wedding Insurance protects you and your loved ones from situations that may cancel or delay your big day such as travel delays, inclement weather, sickness, injury, or any other covered reasons (see page 2 for a complete list of benefits and covered situations). Should you have to cancel for a covered reason, your wedding expenses will not be lost and your wedding will not be compromised. For only 7% of your wedding cost, you can have protection and peace of mind. Also, if you are not completely satisfied, for any reason, you can apply for a premium refund within 10 days of your application date, provided you have not left on your trip. This coverage is designed for wedding expenses only; however, additional wedding enhancements can be added at a later time, as well as travel arrangements for you and your guests. For more information, please contact your wedding consultant at 866-223-9672. Please note; wedding insurance can not cover marriage license fees.

This form must be filled out, signed and faxed back to 305-421-1049, in order to process or to verify your waiver of insurance rights.

- I have read the Wedding Coverage Insurance information sheet and understand that Travel Protection Holdings, Inc. is the insurance provider, and is not affiliated with The Wedding Experience, Inc.
